Pastor' Report - Mike Todd

Matthew 19:26 - *"With God all things are possible."*

It was an honor and a pleasure to serve as the Bridge Pastor at Huff's Union Church for most of 2025. From the moment I started in February, the members at Huff's made me feel like family. In addition to leading regular worship services, I have conducted baptisms, funerals, young member Confirmations, new member inductions, the installation of new Council members, led outdoor worship services in the park, and led the children around the sanctuary multiple times singing, dancing, and greeting the congregation.

More often than not, I participated in the monthly Food Truck distribution and gathered in fellowship with the Lunch Bunch. A number of you have welcomed me into your homes for visits and asked me to visit loved ones in the hospital or nursing home in their time of need. It was a joy to assist in two Oyster Pie Sales, a Church Picnic, the Easter Egg Story Hunt, and VBS. Many times we gathered together for fellowship in the chapel to honor each other and the communion of saints who have gone before. The common thread running through all of these is how I was able to witness God's spirit working in and among all of the members, visitors, family, and friends who are blessed by the care and unending generosity of this church family. This is probably why people, who have moved out of the area and come back to visit, make a point of coming up to me to tell me how much they loved growing up in the church and wish they lived closer if only to be a part of the Huff's community more frequently.

I am extremely grateful to all of the members and volunteers who graciously welcomed the opportunity to try new things and worked with me to recognize what did and didn't work. It is that positive attitude of seeing things from different perspectives and moving in new directions that will continue to set Huff's apart and help us to grow into the future. That is why Christmas Eve 2025 will always be a special memory for me as we were able to officially announce that, starting in 2026, I move from Bridge Pastor to Full-time Pastor. I can wholeheartedly state that despite the difficulties encountered here and around the world in 2025, God's light continued to show through in an infinite number of ways and the blessings far outweighed the disappointments.

May God bless you and keep you now and forever! May the Holy Spirit move within each and every one of us and help us to always see what is possible when we have faith.

Blessings and peace,
Pastor Mike Todd

Huff's Union Church Cemetery
Calendar Year 2025

Genesis 23:6 –	Bury your dead in the choicest of our burial places; none of us will withhold from you any burial ground for burying your dead.
Purpose –	To maintain the Huff's Union Church burial grounds and grave markers.
Officers –	Stephen Lorish, President; Eric Diehl, Vice President; Kerry Meitzler, Secretary; Martin Kriebel, Treasurer
Members -	Robert Ruch, Matthew Schantz, Ernest Geist, William Stoudt, Terry Ziegenfuss
Accomplishments –	The year 2025 has seen 7 full burials and 3 cremation burials. In addition to burials, new grave footers and markers are being set, and the weekly mowing is being performed. This year we also installed a new fence along the Church Yard Cemetery embankment, replacing the split rail fence which was badly deteriorated. In past years, we continued to investigate methods to best repair the broken markers in the Church Yard Cemetery. As a result, we contracted with Roth Cemetery Services to reset, repair, and restore each marker in the Church Yard Cemetery that needs attention. This work will be completed during July and August of 2026.

Financial & Investment Committee 2025 Report

Bible Verse: *Proverbs 21: 5* - The plans of the diligent lead to profit as surely as haste leads to poverty.

Purpose: The Committee's responsibility is to oversee the management and investment of the Long Term and Capital Improvement Funds. These funds were created to hold unrestricted monies other than the Mission Endowment Funds donated to the Church for investment and ultimate use to fund Church programs, projects and other needs.

Chairperson: Justin Miller

Members: The committee will consist of 5 active voting members appointed by council and include non-voting members represented by the Council President, Treasurer, and Pastor. 2025 members of the committee included Justin Miller, Aurel Arndt, Robin Diehl, Scott Swackhamer as voting members and Council President Theresa Woloszanski and Church Treasurer Jon Benfield as ex-officio, non-voting members.

Market Review

2025 ended with stock markets around the world performing exceptionally well. The year started on shaky ground when stocks fell almost 20% after "Liberation Day" when President Trump announced aggressive tariffs on trading partners. As the dust settled, the actual tariff rates were much less than initially proposed and markets recovered quickly. For the U.S., the S&P 500 returned over 16%, while international markets were up over 25%. The bond market also produced strong returns as the Bloomberg Aggregate Bond Index was up over 7%. Stock markets around the world have now experienced back-to-back-to-back strong returns.

2025 in Review

Our committee met throughout the year to review the investments and the needs of the church. Tiller Private Wealth serves as the investment advisor. The church relies on monthly distributions from the portfolio for ordinary expenses and for long-term capital projects.

The Huffs Church investment accounts ended the year with a 13.77% rate of return. Rebalancing adjustments were made throughout the year to maintain a risk level consistent with the church's goal of income with moderate growth. At the time of this report, the church has adequate reserves in conservative investments to facilitate monthly distributions without having to sell stocks if the market were to decline. A reflection of account activity can be found in Huffs Union Church Annual Report.

We welcome comments and questions on this report and appreciate all feedback. We look forward to reporting results of our continuing investment activity during 2026 and beyond.

Huff's Church Food Pantry Cupboard

Help keep the Food Pantry Cupboard in the lower level of the Church stocked by picking up a few extra items when grocery shopping. Store canned and prepackaged items particularly needed - soups, vegetables, fruits, cereal, rice, pasta, pasta sauce, coffee, pancake mix, canned chicken and tuna. Throughout the year items are delivered to community pantries serving the surrounding area including Boyertown Multi-Service, Kutztown Friend Inc., and Upper Perkiomen Open Link.

St. Vincent's Mission in David, Kentucky

The Mitten Tree, first started by Carl Arner at Huff's, was available through the 2024 holiday season. When the church was undecorated in Jan 2025, the beautiful items on the tree were packed up for their pending transport to David, Kentucky.

In early March of 2025 while Berks county was indeed still wintery, Dena Lebo-Funk and Maisy Funk delivered donations to St. Vincent's Mission in David, Kentucky where leaves were budding and bulbs were beginning to bloom. Donations from Huff's Church members including hats, socks, gloves, scarves, and new household items (sheets, bath towels, flat ware, bath rugs, shower curtains, wallets, cologne, car care items) for selection by about 200 qualified families at the Mission's 2025 Annual 's Christmas Store; seed packets helping over 50 local families with 2025 gardens; bags of dog food and cat litter and a few cat beds to the woefully rundown county animal shelter.

In early 2025 the Mission relocated their second-hand store from the coal mine's former pool house to the recently expanded warehouse. With more than 25% of Floyd county's 34,000 residents in poverty the Mission's second-hand store is popular in the local community. We spent three days helping the Mission's crew and interns sort a warehouse full of donations, stock the store and serve customers. We especially enjoy meeting the customers with their kindness, quirkiness and charming Kentucky accents! While there we sponsored the adoption of cat that was languishing in the shelter. The cat takes care of intruding mice in the Mission's warehouse!

A special thanks to Emilie Swackhamer for seed donations and to Wayne and Bea Fogel, John and Jane Leaser, Joe and Connie Szilli, and Minerva Arner for their thoughtful and generous donations toward the cost of gas.

Thank you everyone at Huffs for your incredible outreach doing Christ's service supporting St. Vincent's. Your support makes a difference at St. Vincent's because they beautifully serve during the sacred Christmas season through their annual Christmas Store reminds their neighbors: *You are seen. You are valued. You are loved by God.* That ministry allows about 200 families in need and that have worked with the Mission throughout the year to "shop" for gifts. The Huff's Mitten Tree was again available through the 2025 holiday season to attach hats, scarves, and gloves that will be delivered in 2026 for distribution to qualified families at St. Vincent's 2026 Annual Christmas Store. And Friends Inc. of Kutztown is donating cleaning supplies for the 2026 trip to St. Vincent's. Those supplies will be available to qualified families in the Mission's food bank. And finally, Emilie Swackhamer is lining up seed donations for 2026!
